

# What I Need to Know: Y3 Spanish – Seasons and Growing

*We nurture the curiosity to learn, the courage to lead and the compassion to care.*

We are learning about the seasons and what the weather is like during those seasons. We are also learning about the life cycle of a plant and what it needs to grow and survive. We will also learn 6 basic colours.

## Create, Communicate & Evaluate

- Describe the basic elements of a science experiment in growing a seed

## Question, Reason, Discuss & Explain

- Listen to a Spanish story – learn about the life cycle of a plant ‘Diez Semillas’
- Explain what a plant needs to live and grow (¿Qué necesita una planta para vivir y crecer?)
- Discuss the weather for different seasons (¿Cómo es el clima en...?)

## Know & Do

- Know the names of the seasons
- Learn different ‘weather’ words
- Learn to say six basic colours
- Know parts of a plant
- Pronounce and record words with some accuracy

## Vocabulary I need to know...

Estaciones, primavera, verano, otoño, invierno, ¿Qué tiempo hace? ¿Cómo es el clima en...? Hace frío, Hace calor, Hace sol, Hay viento, Hay Lluvia, Esta nublado, Esta nevando, Los colores - rojo, azul, verde, amarillo, negro, blanco, una planta, una flor, una hoja, un pétalo, raíces, una semilla, brotes, talles, vivir, crecer, agua, sol, aire, calor, luz,

## Opportunities to support English and maths

- Skim and scan texts to retrieve information or quotes quickly and accurately
- Summarise main ideas from more than one paragraph
- Make and justify inferences with appropriate evidence from the text
- Provide reasoned justifications for their views, quoting evidence from across a text

## Curriculum Links and Enrichment Activities
