What could we do when we witness suffering?

	Windows We look at our world or experience something new
	Mirrors We reflect on this, thinking deeply about our feelings and thoughts
	Doors We act in a positive way to help improve the human condition and environment
	Candle We think about God, faith, life and bigger questions, being thankful for our blessings

International Holocaust Memorial Day

Loving God,

You care for each and every one of us as your own child. You created us in your image, yet still all different. We lament the horrible way in which human beings have treated each other. Help us to build a world that is free of persecution and where difference is truly celebrated.

Amen
