

What I Need to Know

Maths Y5 Summer Term: Volume

We nurture the curiosity to learn, the courage to lead and the compassion to care.

You will:

- estimate volume [for example, using blocks to build cuboids] and capacity [for example, using water]

Small Steps	Met
Cubic centimetres	
Compare volume	
Estimate volume	
Estimate capacity	

Resources I might find helpful
Place value chart, multi-link, times tables grid, bead string, Dienes maths set (base 10), abacus, bar modelling

Vocabulary I need to know...
Estimate, volume, compare, capacity, units cubed

Opportunities to support English and maths
<ul style="list-style-type: none">Skim and scan texts to retrieve information quickly and accuratelyUnderstand what the question requires you to doSummarise ideas

End of Unit Reflection
