## Progress

The score of 0 represents the expected level of progress from the end of KS1 to the end of KS2. Those scoring positive numbers have made more than the average progress compared to other pupils nationally. A negative score indicates less than average progress. The confidence interval is also given that represents the accuracy of the judgement the school has been given along with the floor targets – the level that school must be above.

	School	Confidence Interval	National Floor Standard
Reading	1.2	-0.1 to 2.5	-5
Writing	-1.5	-2.7 to -0.3	-7
Maths	-0.9	-2.2 to 0.2	-5
