Under the General Data Protection Regulation (GDPR), the lawful bases we rely on for processing pupil information are:

- Article 6.1.e states that the use of personal data is justified if 'processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller'. In order to comply with the data protection legislation, we will inform you at the point of collection, whether you are required to provide certain pupil information to us or if you have a choice in this.

All data is transferred securely and held by DfE under a combination of software and hardware controls, which meet the current [government security policy framework](#). For further information, please see the section below 'How Government uses your data'.

Under data protection legislation, parents and pupils have the right to request access to information about them that we hold. To make a request for your personal information, or be given access to your child's educational record, contact the Headteacher.

You also have the right to:

- prevent processing for the purpose of direct marketing
- object to decisions being taken by automated means
- in certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed; and
- a right to seek redress, either through the ICO, or through the courts

If you would like to discuss anything in this privacy notice, please contact the Headteacher.

How Government uses your data

The pupil data that we lawfully share with the DfE through data collections:

- underpins school funding, which is calculated based upon the numbers of children and their characteristics in each school.
- informs 'short term' education policy monitoring and school accountability and intervention (for example, school GCSE results or Pupil Progress measures).
- supports 'longer term' research and monitoring of educational policy (for example how certain subject choices go on to affect education or earnings beyond school)

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>

Much of the data about pupils in England goes on to be held in the National Pupil Database (NPD). The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department.

It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies. To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>

The law allows the Department to share pupils' personal data with certain third parties, including:

- schools
- local authorities
- researchers
- organisations connected with promoting the education or wellbeing of children in England
- other government departments and agencies
- organisations fighting or identifying crime

For more information about the Department's NPD data sharing process, please visit:

<https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>

Organisations fighting or identifying crime may use their legal powers to contact DfE to request access to individual level information relevant to detecting that crime. Whilst numbers fluctuate slightly over time, DfE typically supplies data on around 600 pupils per year to the Home Office and roughly 1 per year to the Police.

For information about which organisations the Department has provided pupil information to (and for which project) or to access a monthly breakdown of data share volumes with Home Office and the Police please visit the following website: <https://www.gov.uk/government/publications/dfe-external-data-shares>

Free School Meals (FSM) and Pupil Premium (PP): Application Form

Free School Meals & Pupil Premium

Research shows that better food in schools is improving what children eat during the school day, and there's evidence of a clear link between what children eat at lunchtime in school, where they eat it and how they focus with their teachers in the afternoon.

All children in reception, year 1 and year 2 in state-funded schools in England are eligible for Universal Infant Free School Meals. This includes infant pupils in maintained infant and primary schools, free schools, academies, special schools and pupil referral units.

Free School Meals are also available to pupils in years 3 and above whose parents receive certain benefits and register using this application form. Please return this form to your child's school if you think you qualify for Free School Meals.

Pupil Premium - completing this form could also raise money for your child's school...

The Pupil Premium is a Government scheme that provides funding to schools of £1,050 - £1,480 per pupil whose parents receive one of the qualifying benefits listed on this application form.

The school can use this money to raise the attainment of disadvantaged pupils and close the gap between them and their peers

Q. How can I apply?

A. Simply complete this application form and return it to your child's school

Q. Why should I apply?

A. You and your school could benefit from Pupil Premium funding worth £1,050 - £1,480 per pupil. As well as this, if your child is in year 3 or above this form is also used to apply for Free School Meals and could save you hundreds of pounds a year.

Q. My child is in Reception, year 1 or year 2 and automatically receives Universal Infant Free School Meals, do I still need to complete this form?

A. Yes! Pupil Premium is only paid to a school if the parent registers using this form and is receiving one of the qualifying benefits listed. Even though your child automatically receives free meals at school completing this application form may entitle your school to Pupil Premium funding.

To register for free school meals, including Pupil Premium, please complete this application form and return it to your child's school as soon as possible to avoid delay.

Additional Opportunities

Premier Education, Extra-Curricular Activities and Music Lessons

Premier Education

Premier Education is based at the Wendover Youth Centre on our shared campus. They are an experienced company who employ qualified instructors. Premier staff work in school, teaching some of our PE and aspects of healthy living. Additionally they offer child care before school and after school, as well as a range of clubs during the school holidays.

Extra-Curricular Activities

We offer many extra-curricular activities at Wendover CE Junior School. Some of them are run during social time and some after school. We also work with Premier Education to help provide a wide range of activities – something for everyone. More details of our Autumn programme will be available in the first few weeks of the new academic year.

Music Lessons

We offer a range of instrument lessons at school, either during the school day. We work with local peripatetic teachers and Buckinghamshire Music Trust to provide a wide range of instrumental tuition.

Details about provision from Buckinghamshire Music Trust will be available early in the new term.

Amongst our experienced teachers are Michele and Pippa Beckford, who have worked with the school successfully for a considerable time. They are a mother and daughter team providing high-quality, affordable and rewarding instrumental tuition. Between them, they have a wealth of over 30 years of teaching experience and have a 100% examination pass rate with both ABRSM and RockschooL.

Lessons are either 20 or 30 minutes long and take place on a strictly individual basis during lunchtimes and the afternoon period of the school day. Currently, there are spaces on the timetable for piano, bass guitar, electric guitar and drums. Lessons are usually oversubscribed so do get in contact soon.
