New style SEND Support Plans

SEND Support Plans: We are launching new SEND Support Plan paperwork this term.

We will slowly move all children's records onto the new-style paperwork. Children new to SEND Support will be added directly to the new forms.

The main change is that all elements of the SEND Support Plan will be contained in one document, rather than in several separate documents. The full document will then be sent to parents at the end of every term, along with the SEND Review form.

Images of the separate sections of the new SEND Support Plan are included on the next few pages.

Please bear with us while we work through the children's old plans and turn them into new plans.

Provision Mapping

Long Term Outcomes for Child or Young Person

These aspirational SMART (specific, measurable, achievable, realistic, time bound) outcomes will be for the current or next Key Stage and must be related to the child or young person's area of needs. We would recommend between three and five outcomes.

1. |

2.

3.

Short term outcomes will be directly linked to the agreed medium-term outcomes identified above. These should summarise the outcomes that you have been working on over each cycle of APDR or those advised by other professionals – don't forget to include a review. It is advised that each cycle be reviewed at least termly and a new plan produced annually.

Lead LSAs and cover teaching

We are fortunate to have four Lead LSAs in this school, who all take a significant role in the provision of support to our children. For example, the Lead LSAs provide pastoral support, the nurture group, EAL groups, Young Carers, Language Link groups, Dynamo maths assessments and a range of other individual and group interventions.

However, as part of their role, Lead LSAs also cover lessons for absent teachers, often at very short notice. This means that, sometimes, it is not possible for them to be able to carry out their other duties. Please bear with us on these occasions: we always try to catch up as quickly as we can.

SEND Review Meeting changes

We are changing the way we have our SEND Review meetings. Until now, we have tried to have data for interventions ready for the meeting, so that we can talk about how well the child has done. From now on, we will leave this data until the end of term so that children have as long as possible to make progress. At the SEND Review meeting, we will talk about what is going well and what we can change. We will also invite the child to the meeting so that they can give their views.

Parents and carers are invited to these meetings. Please note that, if parents choose to have a meeting outside of normal school hours, they can choose to bring their child or not. If not, the SENDCo will meet with the child in school at a separate meeting.

SEND review reports and reviewed plans will be sent home at the end of term.

Hello from the SEND Team - the SENDCo

The SENDCo is **Mrs Jenny Bartlett**. I am also one of the school's two Assistant Headteachers and the Designated Safeguarding Lead.

I am not based in a class or year group and work with children and staff across the whole school. I co-ordinate the provision of SEND support across the school.

I am supported by a team of four Lead Learning Support Assistants (Lead LSAs) and eighteen Learning Support Assistants (LSAs). This sounds like a lot of people, but not everyone works full-time.

Contact me at: admin@wendoverjunior.co.uk

The SEND Team – the Lead LSA team

The four LLSAs are:

Mrs Nikki Weeks-Pearson – Pastoral Support Lead. Mrs Weeks-Pearson supports children 1:1 with social, emotional and mental health issues. She runs our Young Carers Group, which meets on Tuesday afternoons.

Miss Clare Doman – Lead LSA for Behaviour and Attendance. She is also working on extending and embedding our work on the zones of regulation and emotional self-regulation.

Mrs Mindy Taylor – Lead LSA for Speech, Language and Communication. Mrs Taylor runs two English as an Additional Language Groups and a range of Language Link interventions for children.

Mrs Charlotte Brister – Lead LSA for Cognition and Learning. This is a new role, to support children with general and specific learning difficulties. This year, she is introducing Dynamo Maths, a new intervention for children with difficulties with Maths.

Additional Literacy Support

Mrs Emma Corns, one of our teachers, is developing our dyslexia provision and also offering more support with spelling, handwriting and phonics.

She will be offering the children who use the Nessy application some more adult-led support, leading a handwriting intervention called Write from the Start and introducing some additional interventions in other aspects of English.

She is hoping to run some support groups for spelling and other aspects of writing.

Service Support (RAF)

Mrs Ria Austin is our Service Support Assistant. In addition to her work in classrooms, she works 1:1 with all RAF children, increasing support around times of difficulty, e.g. deployment, social and emotional issues.

She also runs regular lunches for groups of service children and other events, e.g. the Year 6 wellbeing course, Little Troopers events and craft sessions, where children make items to send to family members who they don't see very often.

RAF Coffee morning dates:

- **Thursday 28 September 2023 8:50 to 9:30**

Please note that this date has changed and has now been combined with the SEND event.

- Wednesday 22nd November 2023 at 9:00

SEND Review meetings

We have now completed the round of SEND Review meetings for Summer Term.

We offer a termly meeting with the SENDCo, in addition to the termly meeting with the class teacher.

Dates for SEND Review Meetings 2023/2024:

- Monday 27 November 2023 to Thursday 30 November 2023, then Monday 4 December and Tuesday 5 December 2023
- Monday 18 March to Monday 22 March 2024
- Monday 8 July to Friday 12 July 2024

We will be able to offer places at SEND Review meetings via the 'school cloud:' this is the same system that parents currently use to book Parents' Evening Consultations. This will mean that parents will be able to choose their own time slots. If the meeting is in school time, we will arrange for your child to be present at the meeting.

SEND Support Plans

All children with SEND have an individualised SEND Support Plan. The plans describe the support offered to the children. These are issued and reviewed termly.

SEND Support Plans are live documents and often change as the children's needs change.

A draft version is sent home near the start of term and a reviewed version is sent home, along with the SEND Review form, at the end of term.

How we support children with SEND

We aim to support children in classrooms as much as possible, so that they benefit from contact with the teacher and the other children. Therefore, we only take children out of class for a small range of interventions or support activities. For example, you might find that your child comes out for one or more of the following:

- Nessy – a computer package that teaches / practises phonics skills for reading and spelling. Several times a week. 1:1 per computer, but may be carried out in a group
- Plus 1 or Power of 2 – 1:1 with an adult. Frequent practice of basic and intermediate maths skills.
- Pre-teach vocabulary – a small group who learn vocabulary before the rest of the class and work on meanings and spellings
- 1:1 reading with an adult – frequent reading practice with an adult to build confidence and fluency
- Language Link - weekly small-group sessions of focused language activities
- A social skills group – a group of children who focus on a particular skill. Perhaps once a week
- The Zones of regulation – 1:1 or small group work on understanding and managing feelings

Meet the SEND team – events coming soon

If you would like to meet some of us in person, we will be holding a **Meet the SEND Team** event on:

- **Thursday 18 January 2024 8:50 to 9:30**

This will be an informal chat with SEND and Service Support team staff. Please let us know if you would like to attend this event: send an email to admin@wendoverjunior.co.uk.

The event will last for about half an hour. Tea / coffee and biscuits will be provided.

We are hoping to do a different event in the second part of the Spring term. Watch this space!
